

## Example Bank Statement

An applicant must show they have enough funds to cover their first or current year's tuition fee (as shown on the CAS) and London living costs specified by UKVI, which is currently £1,483 per month (up to a maximum of 9

months = £13,347) to cover London living costs.

In this example, the student is going to study for an MA degree. Their first-year tuition fee is £39,750. Their bank statement below has sufficient funds to cover both their fee and living cost. An acceptable bank statement must include all the details explained below. The need to demonstrate they have **£39,750 + £13,347 = £53,097.00**
